How to set the Trusted number in Eloading
Vendo Machine

1. Open **Dafoxtech app** in your android phone or tablet then click **"NEXT"**.

If the app is in **Kiosk Mode**, you can **exit the Kiosk mode by pressing volume button down two times.**

2. Set default sms app to **"Fox E-loader"**

3. Enter your app pin. Use **"1234 or 0000".**

4. Click **3 dots** on the **upper right side.**
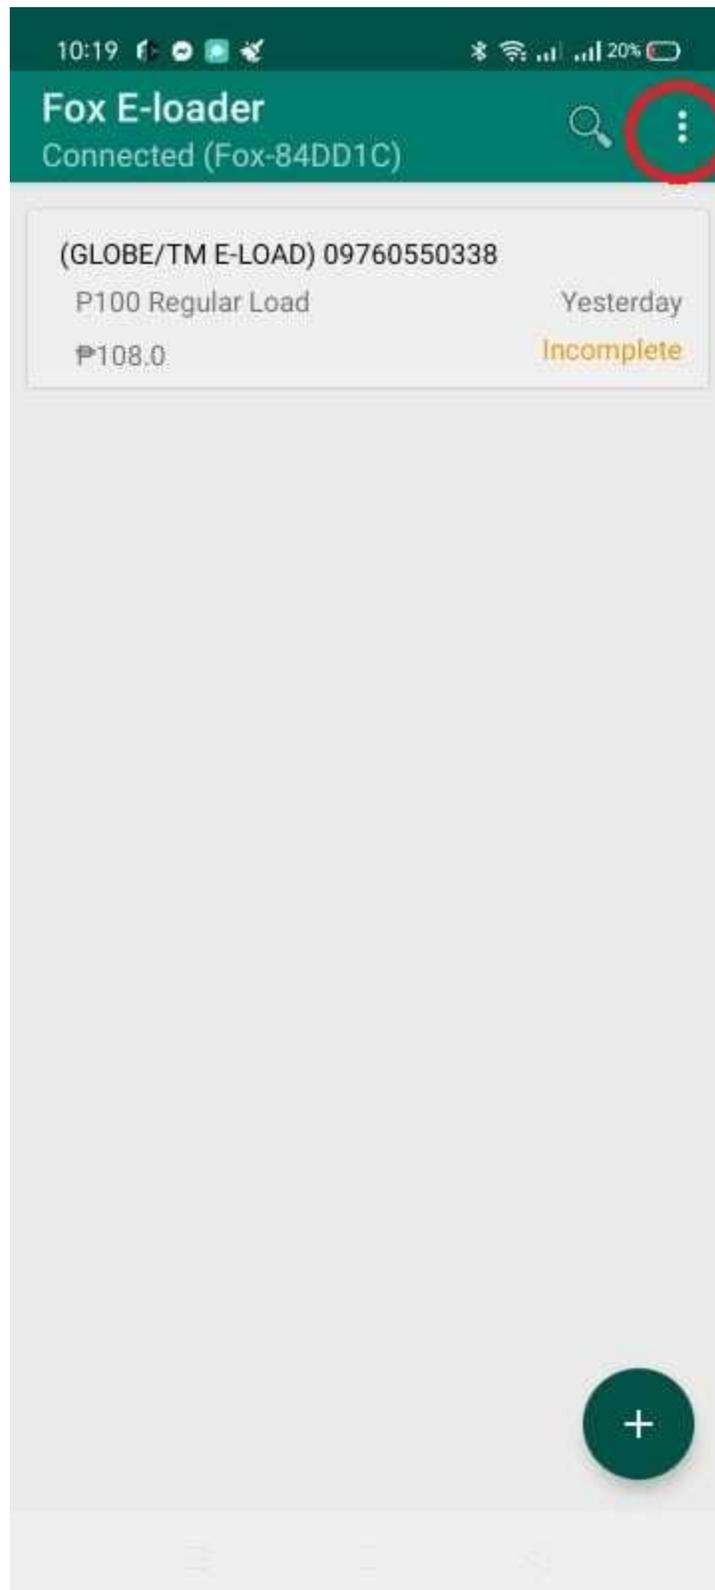

5. Click **"Set Trusted Number".**
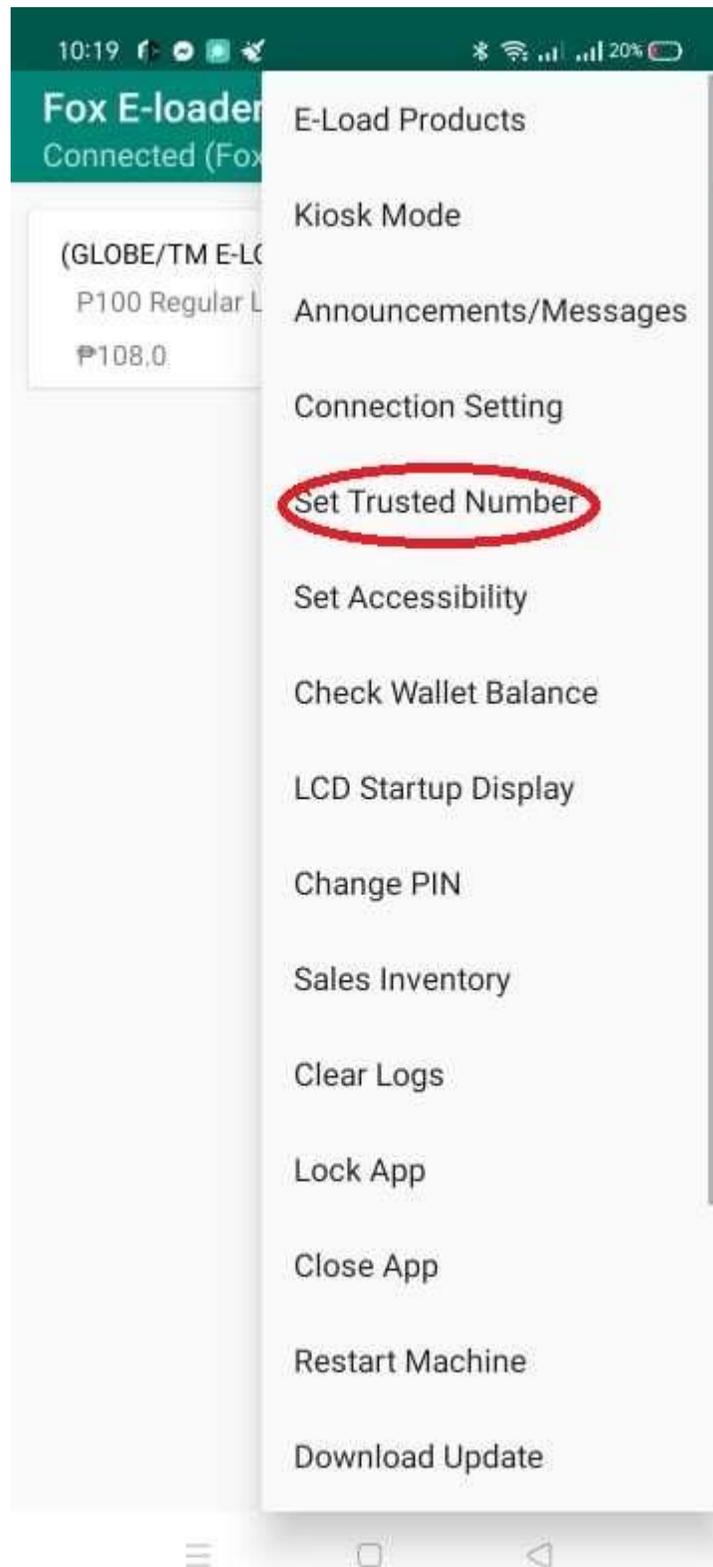

6. After clicking **"Set trusted number"**,

Type your **trusted number in the space provided.**
(ex.09110011001)

After that, Click **"Update".**
